Agenda Item:

Motion Put Forward:

What outcome do you expect?

I understand the Trustees set the Agenda based on ensuring the meeting can be completed in the time available and that all formal legal requirements of the meeting such as Statement of Financial position, Trustees Report, Election for nomination of Trustees, are to be handled ahead of general business items. Where there are multiple requests of a similar nature these may be combined into one single item. The meeting will be advised of all proposed Agenda items that time did not allow for. These items may be carried forward to future meeting should the meeting decide. For items to be considered this form must be completed in full and signed by a registered Beneficial Owner of the Rakiura Maori Lands Trust and received by the Trust no later than the date indicated below. The short explanation of your Agenda item must be completed on this form so members are able to gain an understanding of what you are proposing, the effects it will be if adopted, and any financial implication that would result from this. Failure to provide this information will result in the item not being considered for the Agenda.
